 Daman, Daman & Diu, India

### SKILLS

#### Hard Skill

Problem Solving  
Web Design  
Graphic Design

#### Soft Skill

Adaptability  
Multi-tasking  
Decision Making  
Communication

### INTEREST

Data Structure & Algorithm  
Web Development  
Database Management System

### EDUCATION

#### Charotar University of Science and Technology, Anand

Degree in Information Technology  
2022 - Present

#### Government Polytechnic, Daman Dipolma in Computer Engineering

Completed in 2022  
CGPA : 7.37

### LANGUAGE

English  
Hindi  
Marathi

### PROFILE

My name is **Dhaval**. As a dedicated Information Technology student, I am passionate about expanding my knowledge in the world of technology. Currently honing my skills in programming languages such as **Java**, **python**. Eager to contribute to dynamic projects, I bring a proactive learning mindset and a commitment to staying abreast of the latest advancements in the IT industry. Excited about the prospect of applying my programming expertise to real-world challenges and contributing to the success of a forward-thinking team

### PROJECTS

#### DIGITAL MARKETING

"Digital Marketing" is an E-Commerce Website as a hands-on project to showcase proficiency in web development. Language used in this project is HTML, CSS, and PHP to craft a visually appealing and user-friendly platform. Implemented secure user authentication and emphasized responsive design principles to ensure seamless user experiences across devices.

#### Hostel Management System

"Hostel Management System" website as a hands-on project to showcase proficiency in web development. Leveraged HTML, CSS, and PHP to create an intuitive and efficient platform. Implemented features for room allocation, student registration, and attendance tracking. This project underscores my proficiency in web development, database management, and user-focused system design.

### CERTIFICATION

Database Management System | NPTEL  
2023

Operating System Fundamentals | NPTEL  
2023

MongoDB Node.js Developer Path | MongoDB  
2023
